Electric Cleaner COMPANY

Product Performance

Electric Cleaner Company designs and builds durable equipment to offer long service life. These units are the world's most powerful portable vacuum and blowers of their kind. These machines are sold all over the United States and exported worldwide. Ease of operation and reducing grooming and cleaning time are other features of the units.

Industrial and Commercial

Electric Cleaner Company also manufactures a complete line of cleaning products for industrial and commercial use. Built with the same quality controlled manufacturing. We can also build specialty units to satisfy your needs.

Quality Workmanship

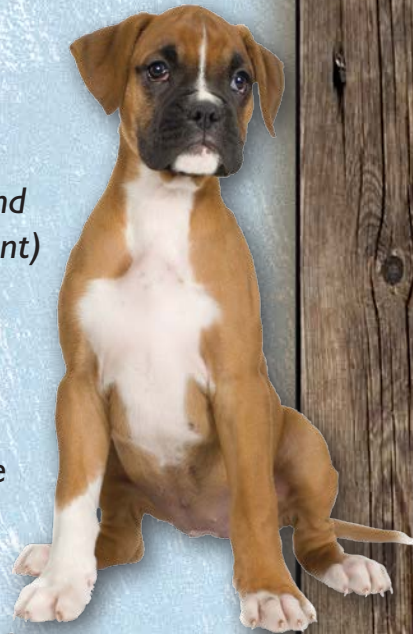

The average length of service by manufacturing and assembly employees is fifteen years. They are experienced and care about the quality of their work.

Pledge of Service

The company feels strongly about the design and construction of the units perfected with over fifty years of experience in design/production of grooming equipment. Should you experience a problem with equipment, return the unit and we will promptly repair it.

Our professional line of quality K-9 Blowers-Dryers are lightweight and portable for shop, home or mobile use. Great for grooming dogs of all shapes and sizes. Warm air heat (no heating element) to prevent damage to the coat and skin. These units dry by creating a large volume of high velocity air to effectively blow water from the dogs coat reducing grooming time. Made of rugged, durable 18 gauge steel and built to last.

Our K-9 units are groomer tested and approved!

Variable Speed K-9 III

Variable speed controls to give you complete control over airflow. Airflow can be varied from 0-100 percent depending on the size and breed of the dog or thickness of coat.

- Variable speed switch - high velocity to blow water out; low velocity for detail work
- Includes 10' hose, two filters, and both flat and round blower tips
- Available in two paint colors: metallic blue and purple

Metallic Blue

One Year Warranty

Variable Speed K-9 II

Metallic Purple

One Year Warranty

Variable Speed adjusts to dry from 0 to 240 CFM for the ultimate in pet drying versatility.

- Variable speed switch - high velocity to blow water out; low velocity for detail work or delicate fur.
- Includes 10' hose, filter, and both flat and round blower tips
- Available in two paint colors: metallic blue and purple

K-9

Our K-9 Fluffer Blower-Dryer comes with a variable speed switch!

K-9 Fluffer

Compact K-9 Fluffer features a variable speed design that allows the blower to be used with the smallest of toy dogs and gives infinite control during the blow out process on show dogs.

- Professional Grade
- Heavy-duty yet portable and lightweight
- Available in all 12 paint colors
- 9.5 Amps, 120 Volts

One Year Warranty

K-9 III

Our most powerful K-9 machine... with more blowing power it blows the competition away.

- Choice of one motor for delicate jobs or two motors for super blowing power
- Ideal for heavy coated animals
- Can cut your drying time in half
- High Velocity
- 120 Volts utility outlet for clippers
- Two Filters, one on each motor
- 18 Amps, 120 Volts
- Available in all 12 paint colors

Two Year Warranty

K-9 units include:

- 10' Hose
- Round Blower Tip
- Flat Blower Tip
- Filter

Optional accessories shown in parts list

- Unit available in 220 Volts

All units available with anti-static hoses in either the horse package or industrial package

Rapid Groom

The Rapid Groom does the work, ends hand grooming, and animals enjoy it. Your horse will look better, feel better, and leaves the natural oils for a shiny lustrous coat.

- Portable and powerful for thorough grooming power.
- Features a two speed, 120 Volt turbine motor for complete animal grooming.
- Provides maximum vacuum power 100" waterlift for body hair, and 60" waterlift for legs and sensitive areas.
- 18 gauge steel body
- 3" wheels
- Removes dirt, dandruff, and parasites leaving hair smooth and lustrous.

Rapid Groom unit includes 10' crushproof hose with curved chrome swivel end 1 1/4" ID, with Serrated Jet Vac Nozzle, Vinyl Spaghetti Brush, three throw away paper filters, and permanent cloth bag.

Two Year Warranty

Electro Groom

Excellent grooming power for removing dirt, loose hair, and parasites. Leaves the natural oils in the coat for a beautiful shiny look.

- Tough baked enamel finish on 18 gauge steel. Unit is 28" in height with 2" by 8" wheels.
- Two motor turbines, 150" of waterlift - motors can be run separately for sensitive areas
- 120 Volts, 575 Watts, 14.85 Amps with both motors running
- Quickly removable filter bag catches overflow dust and debris, preventing foreign matter from entering unit, thus protecting motors
- This unit can also be used as a powerful blower
- Unit available in 220 Volts.

Two Year Warranty

Electro Groom unit includes 10' hose with chrome elbow, 1 1/2" ID, with Serrated Jet Vac Nozzle, Vinyl Spaghetti Brush, Blower Tip and Curry Comb.
